- ***NIO delivered 21,667 vehicles in 2020 in total, increasing by 109.9% year-over-year***
- ***Cumulative deliveries of ES8 and ES6 reached 53,580***

SHANGHAI, China, Sept. 03, 2020 (GLOBE NEWSWIRE) -- NIO Inc. ("NIO" or the "Company") (NYSE: NIO), a pioneer in China's premium smart electric vehicle market, today provided its August 2020 delivery results.

NIO delivered 3,965 vehicles in August 2020, representing a strong 104.1% year-over-year growth. The deliveries consisted of 2,840 ES6s, the Company's 5-seater high-performance premium smart electric SUV, and 1,125 ES8s, the Company's 6-seater and 7-seater flagship premium smart electric SUV. As of August 31, 2020, cumulative deliveries of the ES8 and the ES6 reached 53,580 vehicles, of which 21,667 were delivered in 2020.

"In August, we achieved our best-ever monthly performance on both deliveries and order growth," said William Bin Li, founder, chairman, and chief executive officer of NIO. "As we continue to improve the production capacity for all NIO products, our monthly capacity will reach 5,000 units in September to support our future deliveries. With the closing of our recently announced ADS offering, we have further enhanced our balance sheet and optimized our capital structure to be better prepared for the acceleration of our core technology development, autonomous driving in particular, and the global market expansion in the future."

About NIO Inc.

NIO Inc. is a pioneer in China's premium smart electric vehicle market. Founded in November 2014, NIO's mission is to shape a joyful lifestyle by offering premium smart electric vehicles and being the best user enterprise. NIO designs, jointly manufactures, and sells smart and connected premium electric vehicles, driving innovations in next-generation technologies in connectivity, autonomous driving, and artificial intelligence. Redefining the user experience, NIO provides users with comprehensive, convenient, and innovative charging solutions and other user-centric services. NIO began deliveries of the ES8, a 7-seater flagship premium electric SUV in China in June 2018, and its variant, the 6-seater ES8, in March 2019. NIO officially launched the ES6, a 5-seater high-performance premium electric SUV, in December 2018 and began the first deliveries of the ES6 in June 2019. NIO officially launched the EC6, a 5-seater premium electric coupe SUV, in December 2019 and plans to commence deliveries in 2020.

Safe Harbor Statement

This press release contains statements that may constitute "forward-looking" statements pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to" and similar statements. Among other things, quotations from management in this announcement, as well as NIO's strategic and operational plans, contain forward-looking statements. NIO may also make written or oral forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission (the "SEC"), in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about NIO's beliefs, plans, and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: NIO's strategies; NIO's future business development, financial condition and results of operations; NIO's ability to develop and manufacture a car of sufficient quality and appeal to customers on schedule and on a large scale; its ability to grow manufacturing in collaboration with partners; its ability to provide convenient charging solutions to its customers; its ability to satisfy the mandated safety standards relating to motor vehicles; its ability to secure supply of raw materials or other components used in its vehicles; its ability to secure sufficient reservations and sales of the ES8 and ES6; its ability to control costs associated with its operations; its ability to build the NIO brand; general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in NIO's filings with the SEC. All information provided in this press release is as of the date of this press release, and NIO does not undertake any obligation to update any forward-looking

statement, except as required under applicable law.
