

## NIO Inc. Provides January 2022 Delivery Update

Feb 21, 2022

- ***NIO delivered 9,652 vehicles in January 2022, increasing by 33.6% year-over-year***
- ***Cumulative deliveries of the ES8, ES6 and EC6 as of January 31, 2022 reached 176,722***

SHANGHAI, China, Feb. 01, 2022 (GLOBE NEWSWIRE) -- NIO Inc. ("NIO" or the "Company") (NYSE: NIO), a pioneer and a leading company in the premium smart electric vehicle market, today announced its January 2022 delivery results.

NIO delivered 9,652 vehicles in January 2022, representing an increase of 33.6% year-over-year. The deliveries consisted of 1,531 ES8s, the Company's six- or seven-seater flagship premium smart electric SUV, 5,247 ES6s, the Company's five-seater high-performance premium smart electric SUV, and 2,874 EC6s, the Company's five-seater premium smart electric coupe SUV. As of January 31, 2022, cumulative deliveries of the ES8, ES6 and EC6 reached 176,722 vehicles.

In January 2022, the Company released Aspen 3.0.5 NO, which is exclusively developed for Norway, to users in the local market, marking its first firmware over-the-air (FOTA) update outside of China. Aspen is the smart operating system of NIO vehicles based on NIO Technology Platform 1.0 (NT1.0). As of January 31, 2022, NIO has pushed FOTA updates to its users for over 1.3 million times cumulatively, releasing 199 new features and 401 enhancements.

In addition, the Company has been accelerating the deployment of its power, sales and service network. As of January 31, 2022, NIO has built 836 Power Swap stations, 3,766 Power Chargers and 3,656 destination chargers, and opened 42 NIO Houses, 341 NIO Spaces, 55 NIO Service Centers and 180 authorized service centers across China. The infrastructure expansion serves as the solid foundation to continuously bring experiences beyond expectations to users.

About NIO Inc.

NIO Inc. is a pioneer and a leading company in the premium smart electric vehicle market. Founded in November 2014, NIO's mission is to shape a joyful lifestyle. NIO aims to build a community starting with smart electric vehicles to share joy and grow together with users. NIO designs, develops, jointly manufactures and sells premium smart electric vehicles, driving innovations in next-generation technologies in autonomous driving, digital technologies, electric powertrains and batteries. NIO differentiates itself through its continuous technological breakthroughs and innovations, such as its industry-leading battery swapping technologies, Battery as a Service, or BaaS, as well as its proprietary autonomous driving technologies and Autonomous Driving as a Service, or ADaaS. NIO launched the ES8, a seven-seater flagship premium smart electric SUV in December 2017, and began deliveries of the ES8 in June 2018 and its variant, the six-seater ES8, in March 2019. NIO launched the ES6, a five-seater high-performance premium smart electric SUV, in December 2018, and began deliveries of the ES6 in June 2019. NIO launched the EC6, a five-seater premium smart electric coupe SUV, in December 2019, and began deliveries of the EC6 in September 2020. NIO launched the ET7, a flagship premium smart electric sedan, in January 2021. NIO launched the ET5, a mid-size premium smart electric sedan, in December 2021.

Safe Harbor Statement

This press release contains statements that may constitute "forward-looking" statements pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to" and similar statements. NIO may also make written or oral forward-looking statements in its periodic reports to the SEC, in its annual report to shareholders, in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about NIO's beliefs, plans and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: NIO's strategies; NIO's future business development, financial condition and results of operations; NIO's ability to develop and manufacture a car of sufficient quality and appeal to customers on schedule and on a large scale; its ability to ensure and expand manufacturing capacities including establishing and maintaining partnerships with third parties; its ability to provide convenient and comprehensive power solutions to its customers; the viability, growth potential and prospects of the newly introduced BaaS and ADaaS; its ability to improve the technologies or develop alternative technologies in meeting evolving market demand and industry

development; NIO's ability to satisfy the mandated safety standards relating to motor vehicles; its ability to navigate the evolving and complex regulatory environment, including the various laws, regulations and regulatory requirements regarding cybersecurity, privacy, data protection and information security; its ability to secure supply of raw materials or other components used in its vehicles; its ability to secure sufficient reservations and sales of the ES8, ES6, EC6 ET7 and ET5; its ability to control costs associated with its operations; its ability to build the NIO brand; general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in NIO's filings with the SEC. All information provided in this press release is as of the date of this press release, and NIO does not undertake any obligation to update any forward-looking statement, except as required under applicable law.
