ITEM 6. INDEMNIFICATION OF DIRECTORS AND OFFICERS.

Cayman Islands law does not limit the extent to which a company’s articles of association may provide for indemnification of officers and directors, except to the extent any such provision may be held by the Cayman Islands courts to be contrary to public policy, such as to provide indemnification against civil fraud or the consequences of committing a crime.

The post-offering amended and restated memorandum and articles of association that we expect to adopt and to become effective immediately prior to the completion of this offering provide that we shall indemnify our directors and officers (each an indemnified person) against all actions, proceedings, costs, charges, expenses, losses, damages or liabilities incurred or sustained by such indemnified person, other than by reason of such person’s own dishonesty, willful default or fraud, in or about the conduct of our company’s business or affairs (including as a result of any mistake of judgment) or in the execution or discharge of his duties, powers, authorities or discretions, including without prejudice to the generality of the foregoing, any costs, expenses, losses or liabilities incurred by such indemnified person in defending (whether successfully or otherwise) any civil proceedings concerning our company or its affairs in any court whether in the Cayman Islands or elsewhere.

Pursuant to the indemnification agreements the form of which is filed as Exhibit 10.4 to this registration statement, we agree to indemnify our directors and executive officers against certain liabilities and expenses incurred by such persons in connection with claims made by reason of their being such a director or officer.

The underwriting agreement, the form of which will be filed as Exhibit 1.1 to this registration statement, will also provide indemnification for us and our officers and directors for certain liabilities.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers or persons controlling us pursuant to the foregoing provisions, we have been informed that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is therefore unenforceable.

ITEM 7. RECENT SALES OF UNREGISTERED SECURITIES.

During the past three years, we have issued the following securities. We believe that each of the following issuances was exempt from registration under the Securities Act pursuant to Section 4(2) of the Securities Act regarding transactions not involving a public offering or in reliance on Regulation S under the Securities Act regarding sales by an issuer in offshore transactions. No underwriters were involved in these issuances of securities.

ITEM 8. EXHIBITS AND FINANCIAL STATEMENT SCHEDULES.

(a) Exhibits

See Exhibit Index beginning on page II-10 of this registration statement.

The agreements included as exhibits to this registration statement contain representations and warranties by each of the parties to the applicable agreement. These representations and warranties were made solely for the benefit of the other parties to the applicable agreement and (i) were not intended to be treated as categorical statements of fact, but rather as a way of allocating the risk to one of the parties if those statements prove to be inaccurate; (ii) may have been qualified in such agreement by disclosure that was made to the other party in connection with the negotiation of the applicable agreement; (iii) may apply contract standards of “materiality” that are different from “materiality” under the applicable securities laws; and (iv) were made only as of the date of the applicable agreement or such other date or dates as may be specified in the agreement.

We acknowledge that, notwithstanding the inclusion of the foregoing cautionary statements, we are responsible for considering whether additional specific disclosure of material information regarding material contractual provisions is required to make the statements in this registration statement not misleading.
ITEM 9. UNDERTAKINGS.

The undersigned registrant hereby undertakes to provide to the underwriter at the closing specified in the underwriting agreements, certificates in such denominations and registered in such names as required by the underwriter to permit prompt delivery to each purchaser.

Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the registrant pursuant to the provisions described in Item 6, or otherwise, the registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the registrant of expenses incurred or paid by a director, officer or controlling person of the registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

The undersigned registrant hereby undertakes that:

(1) For purposes of determining any liability under the Securities Act, the information omitted from the form of prospectus filed as part of this registration statement in reliance upon Rule 430A and contained in a form of prospectus filed by the registrant pursuant to Rule 424(b)(1) or (4) or 497(h) under the Securities Act shall be deemed to be part of this registration statement as of the time it was declared effective.

(2) For the purpose of determining any liability under the Securities Act, each post-effective amendment that contains a form of prospectus shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial bona fide offering thereof.

(3) For the purpose of determining liability under the Securities Act to any purchaser, each prospectus filed pursuant to Rule 424(b) as part of a registration statement relating to an offering, other than registration statements relying on Rule 430B or other than prospectuses filed in reliance on Rule 430A, shall be deemed to be part of and included in the registration statement as of the date it is first used after effectiveness. Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such first use, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such date of first use.

(4) For the purpose of determining any liability of the registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned registrant undertakes that in a primary offering of securities of the undersigned registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

(i) Any preliminary prospectus or prospectus of the undersigned registrant relating to the offering required to be filed pursuant to Rule 424;
(ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned registrant or used or referred to by the undersigned registrant;

(iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned registrant or its securities provided by or on behalf of the undersigned registrant; and

(iv) Any other communication that is an offer in the offering made by the undersigned registrant to the purchaser.

None of the outstanding share capital or equity interest in any Subsidiary or Affiliated Entity was issued in violation of preemptive or similar rights of any security holder of such Subsidiary or Affiliated Entity. All of the currently effective constitutive or organizational documents of each of the Subsidiaries and Affiliated Entities comply with the requirements of applicable laws of its jurisdiction of incorporation or organization and are in full force and effect.
(f) Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, (i) none of the Company nor any of its Subsidiaries or Affiliated Entities is prohibited, directly or indirectly, from (1) paying any dividends or making any other distributions on its share capital, (2) making or repaying any loan or advance to the Company or any other Subsidiary or Affiliated Entity or (3) transferring any of its properties or assets to the Company or any other Subsidiary or Affiliated Entity, and (ii) all dividends and other distributions declared and payable upon the share capital of the Company or any of its Subsidiaries or Affiliated Entities (1) may be converted into foreign currency that may be freely transferred out of such entity’s jurisdiction of incorporation, without the consent, approval, authorization or order of, or qualification with, any court or governmental agency or body in such entity’s jurisdiction of incorporation or tax residence; and (2) are not and will not be subject to withholding, value added or other taxes under the currently effective laws and regulations of such entity’s jurisdiction of incorporation, without the necessity of obtaining any consents, approvals, authorizations, orders, registrations, clearances or qualifications of or with any arbitrator, court, governmental body, regulatory body, administrative agency or other authority, body or agency having jurisdiction over the Company, any of the Subsidiaries or the Affiliated Entities or any of their respective properties, assets or operations (each, a “Governmental Entity”).

(g) The description of the corporate structure of the Company and the various contracts among certain Subsidiaries, the shareholders of the Affiliated Entities and the Affiliated Entities (each a “Corporate Structure Contract” and collectively the “Corporate Structure Contracts”), as the case may be, as set forth in the Time of Sale Prospectus under the captions “Corporate History and Structure” and “Related Party Transactions” and filed as Exhibits 10.11 through 10.20 to the Registration Statement, is true and accurate in all material respects and nothing has been omitted from such description which would make it misleading in any material respect. There is no other material agreement, contract or other document relating to the corporate structure or the operation of the Company together with its Subsidiaries and the Affiliated Entities taken as a whole, which has not been previously disclosed or made available to the Underwriters and disclosed in the Time of Sale Prospectus.

(h) Each Corporate Structure Contract has been duly authorized, executed and delivered by the parties thereto and constitutes a valid and legally binding obligation of the parties thereto and enforceable in accordance with its terms (except as disclosed in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus) subject, as to enforceability, to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles. No consent, approval, authorization, or order of, or filing or registration with, any Governmental Entity is required for the performance of the obligations under any Corporate Structure Contract by the parties thereto, except as already obtained or disclosed in the Registration Statement, the Time of Sale Prospectus and the Prospectus; and no consent, approval, authorization, order, filing or registration that has been obtained is being withdrawn or revoked or is subject to any condition precedent which has not been fulfilled or performed. Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus under the heading “Risks Relating to Our Corporate Structure”, the corporate structure of the Company complies with all applicable PRC laws and regulations, and neither the corporate structure of the Company nor any of the Corporate Structure Contracts violates, breaches, contravenes or otherwise conflicts with any applicable PRC laws. There is no legal or governmental proceeding, inquiry or investigation pending against the Company, the Subsidiaries or the Affiliated Entities or shareholders of the Affiliated Entities in any jurisdiction challenging the validity of any of the Corporate Structure Contracts, and to the knowledge of the Company, no such proceeding, inquiry or investigation is threatened in any jurisdiction.
(i) The execution, delivery and performance of each Corporate Structure Contract by the parties thereto do not and will not result in a breach or violate any of the terms or provisions of, or constitute a default under, or result in the imposition of any lien, encumbrance, equity or claim upon any property or assets of the Company or any of the Subsidiaries or the Affiliated Entities pursuant to (i) the constitutive or organizational documents of the Company or any of the Subsidiaries or the Affiliated Entities, (ii) any existing statute, rule, regulation or order of any Governmental Entity as currently in effect having jurisdiction over the Company or any of the Subsidiaries or the Affiliated Entities or any of their properties, or any arbitration award, or (iii) any indenture, mortgage, deed of trust, loan agreement or other agreement or instrument to which the Company or any of the Subsidiaries or any of the Affiliated Entities is a party or by which the Company or any of the Subsidiaries or the Affiliated Entities is bound or to which any of the properties of the Company or any of the Subsidiaries or the Affiliated Entities is subject, except, in the case of (iii), where such breach, violation or default would not individually or in the aggregate have a Material Adverse Effect. Each Corporate Structure Contract is in full force and effect and none of the parties thereto is in breach or default in the performance of any of the terms or provisions of such Corporate Structure Contract. None of the parties to any of the Corporate Structure Contracts has sent or received any communication regarding termination of, or intention not to renew, any of the Corporate Structure Contracts, and to the knowledge of the Company, no such termination or non-renewal has been threatened by any of the parties thereto.

(j) The Company possesses, directly or indirectly, the power to direct or cause the direction of the management and policies of the Affiliated Entities, through certain of its Subsidiaries’ rights to exercise the voting rights of the shareholders of the Affiliated Entities.
(k) The ADSs have been approved for listing on the New York Stock Exchange, subject to official notice of issuance.

(l) This Agreement has been duly authorized, executed and delivered by the Company.

(m) The Deposit Agreement has been duly authorized and, when executed and delivered by the Company and, assuming due authorization, execution and delivery by the Depositary, will constitute a valid and legally binding agreement of the Company, enforceable in accordance with its terms, subject, as to enforceability, to bankruptcy, insolvency, fraudulent transfer, reorganization, moratorium and similar laws of general applicability relating to or affecting creditors’ rights and to general equity principles, and upon issuance by the Depositary of ADRs evidencing ADSs and the deposit of Ordinary Shares in respect thereof in accordance with the provisions of the Deposit Agreement, such ADRs will be duly and validly issued and the persons in whose names the ADRs are registered will be entitled to the rights specified therein and in the Deposit Agreement; and the Deposit Agreement and the ADRs conform in all material respects to the descriptions thereof contained in each of the Time of Sale Prospectus and the Prospectus.

(n) The authorized share capital of the Company conforms as to legal matters to the description thereof contained in each of the Time of Sale Prospectus and the Prospectus.

(o) The Ordinary Shares outstanding prior to the issuance of the Ordinary Shares represented by the ADSs to be sold by the Company have been duly authorized and are validly issued, fully paid and non-assessable.

(p) The Ordinary Shares represented by the ADSs to be sold by the Company have been duly authorized and, when issued and delivered in accordance with the terms of this Agreement, will be validly issued, fully paid and non-assessable, and the issuance of such Ordinary Shares will not be subject to any preemptive or similar rights. No person has the right, contractual or otherwise, to cause the Company to issue or sell to it any Ordinary Shares, ADSs or any other share capital of or other equity interests in the Company.

(q) Neither the Company nor any of its Subsidiaries or Affiliated Entities is (i) in breach of or in default under any laws, regulations, rules, orders, decrees, guidelines or notices of its jurisdiction of organization or any other jurisdiction where it operates, (ii) in violation of its constitutive or organizational documents, or (iii) in default in the performance or observance of any obligation, agreement, covenant or condition contained in any indenture, mortgage, deed of trust, loan agreement, lease or other agreement or instrument to which it is a party or by which it or any of its properties may be bound, except in the case of (i) and (iii) above, where any such breach or default would not, individually or in aggregate, have a Material Adverse Effect.
(r) The execution and delivery by the Company of, and the performance by the Company of its obligations under, this Agreement and the Deposit Agreement will not contravene any provision of applicable law or the memorandum and articles of incorporation of the Company or any agreement or other instrument binding upon the Company or any of its Subsidiaries or Affiliated Entities that is material to the Company and its Subsidiaries and Affiliated Entities, taken as a whole, or any judgment, order or decree of any Governmental Entity having jurisdiction over the Company or any Subsidiary or Affiliated Entity, and no consent, approval, authorization or order of, or qualification with, any Governmental Entity is required for the performance by the Company of its obligations under this Agreement and the Deposit Agreement, except such as may be required by the securities or Blue Sky laws of the various states of the United States of America in connection with the offer and sale of the ADSs.

(s) The application of the net proceeds from the offering of ADSs, as described in the Time of Sale Prospectus and the Prospectus, will not (i) contravene any provision of any current and applicable laws or the current constituent documents of the Company or any of its Subsidiaries or Affiliated Entities, (ii) contravene the terms or provisions of, or constitute a default under, any material indenture, mortgage, deed of trust, loan agreement, note, lease or other agreement or instrument currently binding upon the Company or any of its Subsidiaries or Affiliated Entities, or (iii) contravene or violate the terms or provisions of any order or decree of any Governmental Entity having jurisdiction over the Company or any Subsidiary or Affiliated Entity.

(t) There has not occurred any material adverse change, or any development involving a prospective material adverse change, in the condition, financial or otherwise, or in the earnings, business or operations of the Company and its Subsidiaries and Affiliated Entities, taken as a whole, from that set forth in the Time of Sale Prospectus.

(u) There are no legal or governmental proceedings pending, or to the knowledge of the Company, threatened, to which the Company or any of its Subsidiaries or Affiliated Entities is a party or to which any of the properties of the Company or any of its Subsidiaries or Affiliated Entities is subject (other than proceedings accurately described in all material respects in the Time of Sale Prospectus and proceedings that would not have a Material Adverse Effect).

(v) Each preliminary prospectus filed as part of the registration statement as originally filed or as part of any amendment thereto, or filed pursuant to Rule 424 under the Securities Act, complied when so filed in all material respects with the Securities Act and the applicable rules and regulations of the Commission thereunder.
(w) The Company is not, and after giving effect to the offering and sale of the ADSs and the application of the proceeds thereof as described in the Prospectus will not be, required to register as an “investment company” as such term is defined in the Investment Company Act of 1940, as amended.

(x) The Company and its Subsidiaries and Affiliated Entities (i) are in compliance with any and all applicable national, provincial, local and foreign laws and regulations relating to the protection of human health and safety, the environment or hazardous or toxic substances or wastes, pollutants or contaminants ("Environmental Laws"), (ii) have received all permits, licenses or other approvals required of them under applicable Environmental Laws to conduct their respective businesses and (iii) are in compliance with all terms and conditions of any such permit, license or approval, except where such noncompliance with Environmental Laws, failure to receive required permits, licenses or other approvals or failure to comply with the terms and conditions of such permits, licenses or approvals would not, singly or in the aggregate, have a Material Adverse Effect.

(y) There are no costs or liabilities associated with Environmental Laws (including, without limitation, any capital or operating expenditures required for clean-up, closure of properties or compliance with Environmental Laws or any permit, license or approval, any related constraints on operating activities and any potential liabilities to third parties) which would, singly or in the aggregate, have a Material Adverse Effect.

(z) Except as disclosed in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, there are no contracts, agreements or understandings between the Company and any person granting such person the right to require the Company to file a registration statement under the Securities Act with respect to any securities of the Company or to require the Company to include such securities with the Ordinary Shares registered pursuant to the Registration Statement.
(aa) (i) None of the Company or its Subsidiaries or Affiliated Entities or any director or officer thereof, or, to the Company’s knowledge, any of its or their affiliates or employees, or any agent or other representative thereof, is aware of or has taken or will take any action, directly or indirectly, that would result in a violation by such persons of the Foreign Corrupt Practice Act of 1977, as amended, and the rules of regulations thereunder, the U.K. Bribery Act 2010, as amended, and the rules and regulations thereunder, or any other applicable anti-corruption law in furtherance of an offer, payment, promise to pay, or authorization or approval of the payment, giving or receipt of money, property, gifts or anything else of value, directly or indirectly, to any government official (including any officer or employee of a government or government-owned or controlled entity or of a public international organization, or any person acting in an official capacity for or on behalf of any of the foregoing, or any political party or party official or candidate for political office) (“Government Official”) in order to influence official action, or to any person in violation of any applicable anti-corruption laws; (ii) the Company and its Subsidiaries and Affiliated Entities and its and their affiliates have conducted their businesses in compliance with applicable anti-corruption laws and have instituted and since instituting have maintained and will continue to maintain policies and procedures reasonably designed to promote and achieve compliance with such laws and with the representations and warranties contained herein; and (iii) neither the Company nor its Subsidiaries or Affiliated Entities will use, directly or indirectly, the proceeds of the offering in furtherance of an offer, payment, promise to pay, or authorization of the payment or giving of money, or anything else of value, to any person in violation of any applicable anti-corruption laws.

(bb) The operations of the Company and its Subsidiaries and Affiliated Entities are and have been conducted at all times in compliance with all applicable financial recordkeeping and reporting requirements, including those of the Bank Secrecy Act, as amended by Title III of the Uniting and Strengthening America by Providing Appropriate Tools Required to Intercept and Obstruct Terrorism Act of 2001 (USA PATRIOT Act) and the applicable anti-money laundering statutes of jurisdictions where the Company and its Subsidiaries and Affiliated Entities conduct business, the rules and regulations thereunder and any related or similar rules, regulations or guidelines, issued, administered or enforced by any governmental or regulatory agency (collectively, the “Anti-Money Laundering Laws”), and no action, suit or proceeding by or before any court or governmental or regulatory agency, authority or body or any arbitrator involving the Company or any of its Subsidiaries or Affiliated Entities with respect to the Anti-Money Laundering Laws is pending or, to the best knowledge of the Company, threatened.

(cc) (i) None of the Company, any of its Subsidiaries or Affiliated Entities, or any director or officer thereof, or, to the Company’s knowledge, any agent, affiliate, employee or other representative of the Company or any of its Subsidiaries or Affiliated Entities, is an individual or entity (“Person”) that is, or is owned or controlled by one or more Persons that are:

(A) the subject of any sanctions administered or enforced by the U.S. Department of Treasury’s Office of Foreign Assets Control (“OFAC”), the U.S. Department of State, the United Nations Security Council (“UNSC”), the European Union (“EU”) (including under Council Regulation (EC) No. 194/2008), Her Majesty’s Treasury (“HMT”), the State Secretariat for Economic Affairs, or other relevant sanctions authority (collectively, “Sanctions”), or engaged in any activities sanctionable under the Comprehensive Iran Sanctions, Accountability, and Divestment Act of 2010, the Iran Sanctions Act, the Iran Threat Reduction and Syria Human Rights Act, or any applicable executive order, or
(B) located, organized or resident in a country or territory that is the subject of Sanctions (including, without limitation, Crimea, Cuba, Iran, North Korea and Syria).

(ii) The Company will not, directly or indirectly, use the proceeds of the offering received by the Company, or lend, contribute or otherwise make available such proceeds to any Subsidiary, Affiliated Entity, joint venture partner or other Person:

(A) to fund or facilitate any activities or business of or with any Person or in any country or territory that, at the time of such funding or facilitation, is the subject of Sanctions; or

(B) in any other manner that will result in a violation of Sanctions by any Person (including any Person participating in the offering, whether as underwriter, advisor, investor or otherwise).

(iii) For the past 5 years, the Company and its Subsidiaries and Affiliated Entities have not knowingly engaged in, are not now knowingly engaged in, and will not knowingly engage in, any dealings or transactions with any Person, or in any country or territory, that at the time of the dealing or transaction is or was the subject of Sanctions.

(dd) Subsequent to the respective dates as of which information is given in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, (i) the Company and its Subsidiaries and Affiliated Entities have not incurred any material liability or obligation, direct or contingent, nor entered into any material transaction; (ii) the Company has not purchased any of its outstanding share capital, nor declared, paid or otherwise made any dividend or distribution of any kind on its share capital other than ordinary and customary dividends; and (iii) there has not been any material change in the share capital, short-term debt or long-term debt of the Company and its Subsidiaries and Affiliated Entities, except in each case as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus.
(ee) The Company and its Subsidiaries and Affiliated Entities have good and marketable title (in fee simple in the case of real property in applicable jurisdictions, and valid land use rights and building ownership certificates in the case of real property in the PRC) to all real property and good and marketable title to all personal property owned by them which is material to the business of the Company and its Subsidiaries and Affiliated Entities taken as a whole, in each case free and clear of all liens, encumbrances and defects except such as are described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus or such as do not materially affect the value of such property or interfere with the use made and proposed to be made of such property by the Company and its Subsidiaries and Affiliated Entities; and any real property and buildings held under lease by the Company and its Subsidiaries and Affiliated Entities which are material to the business of the Company and its Subsidiaries and Affiliated Entities taken as a whole are held by them under valid, subsisting and enforceable leases with such exceptions as are not material and do not materially interfere with the use made and proposed to be made of such property and buildings by the Company and its Subsidiaries and Affiliated Entities, except in each case as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(ff) The Company and its Subsidiaries and Affiliated Entities own, possess, or have been authorized to use, or can acquire on reasonable terms sufficient trademarks, trade names, patent rights, copyrights, domain names, licenses, trade secrets, inventions, technology, know-how and other intellectual property and similar rights, including registrations and applications for registration thereof (collectively, “Intellectual Property Rights”) necessary or material to the conduct of the business as now conducted, and either the expected expiration of any such Intellectual Property Rights would not, individually or in the aggregate, have a Material Adverse Effect or the Company believes it will be able to renew such Intellectual Property Rights on acceptable terms. To the knowledge of the Company, (i) there is no material infringement, misappropriation, breach, default or other violation, or the occurrence of any event that with notice would constitute any of the foregoing, by the Company or its Subsidiaries or Affiliated Entities or third parties of any of the Intellectual Property Rights of the Company or its Subsidiaries or Affiliated Entities; (ii) there is no pending or threatened action, suit, proceeding or claim by others challenging the Company’s or the Subsidiaries’ or Affiliated Entities’ rights in or to, or the violation of any of the terms of, any of their Intellectual Property Rights, and the Company is unaware of any facts which would form a reasonable basis for any such claim; and (iii) there is no pending or threatened action, suit, proceeding or claim by others that the Company or any of its Subsidiaries or Affiliated Entities infringes, misappropriates or otherwise violates or conflicts with any Intellectual Property Rights or other proprietary rights of others and the Company is unaware of any other fact which would form a reasonable basis for any such claim, except in each case covered by clauses (i) to (iii) such as would not, if determined adversely to the Company or its Subsidiaries or Affiliated Entities, individually or in the aggregate, have a Material Adverse Effect.

(gg) No material labor dispute with the employees of the Company or any of its Subsidiaries or Affiliated Entities exists, except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, or, to the knowledge of the Company, is imminent; and, to the Company’s knowledge, there is no existing, threatened or imminent labor disturbance by the employees of any of its principal suppliers, manufacturers or contractors that could have a Material Adverse Effect.
Neither the Company nor any of its Subsidiaries or Affiliated Entities has sent or received any written communication regarding termination of, or intent not to renew, any of the material contracts or agreements specifically referred to or described in the Time of Sale Prospectus, or specifically referred to or described in, or filed as an exhibit to, the Registration Statement, and no such termination or non-renewal has been threatened by the Company, any of its Subsidiaries or Affiliated Entities or, to the Company’s knowledge, any other party to any such contract or agreement.

(ii) The Company and each of its Subsidiaries and Affiliated Entities are insured by insurers of recognized financial responsibility against such losses and risks and in such amounts as the Company believes are prudent and customary in the businesses in which they are engaged; neither the Company nor any of its Subsidiaries or Affiliated Entities has been refused any insurance coverage sought or applied for; and neither the Company nor any of its Subsidiaries or Affiliated Entities has any reason to believe that it will not be able to renew its existing insurance coverage as and when such coverage expires or to obtain similar coverage from similar insurers as may be necessary to continue its business at a cost that would not have a Material Adverse Effect, except in each case as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus.

(jj) Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus under the heading “We may be adversely affected by the complexity, uncertainties and changes in PRC regulations on internet-related as well as automotive businesses and companies”, (i) the Company and its Subsidiaries and Affiliated Entities possess all licenses, consents, authorizations, approvals, orders, certificates and permits issued by the appropriate national, provincial, local or foreign regulatory authorities necessary to conduct their respective businesses; (ii) neither the Company nor any of its Subsidiaries or Affiliated Entities has received any notice of proceedings relating to the revocation or modification of any such license, consent, authorization, approval, order, certificate or permit which, singly or in the aggregate, if the subject of an unfavorable decision, ruling or finding, would have a Material Adverse Effect; and (iii) the Company and its Subsidiaries and Affiliated Entities are in compliance with the provisions of all such licenses, consents, authorizations, approvals, orders, certificates or permits in all material respects.

(kk) Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, the Company and each of its Subsidiaries and Affiliated Entities maintain effective internal control over financial reporting (as defined under Rule 13-a15 and Rule 15d-15 under the Exchange Act) and a system of internal accounting controls sufficient to provide reasonable assurance that (i) transactions are executed in accordance with management’s general or specific authorizations; (ii) transactions are recorded as necessary to permit preparation of financial statements in conformity with generally accepted accounting principles and to maintain asset accountability; (iii) access to assets is permitted only in accordance with management’s general or specific authorization; and (iv) the recorded accountability for assets is compared with the existing assets at reasonable intervals and appropriate action is taken with respect to any differences. Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, since the end of the Company’s most recent audited fiscal year, there has been (i) no material weakness in the Company’s internal control over financial reporting (whether or not remediated) and (ii) no change in the Company’s internal control over financial reporting that has materially affected, or is reasonably likely to materially affect, the Company’s internal control over financial reporting. The Company maintains disclosure controls and procedures (as such term is defined in Rule 13a-15(e) under the Exchange Act); such disclosure controls and procedures have been designed to ensure that material information relating to the Company and its Subsidiaries and Affiliated Entities is made known to the Company’s principal executive officer and principal financial officer by others within those entities; and such disclosure controls and procedures are effective.
The Company has taken all necessary actions to ensure that, upon the effectiveness of the Registration Statement, it will be in compliance with all provisions of the Sarbanes-Oxley Act of 2002 and all rules and regulations promulgated thereunder or implementing the provisions thereof (the “Sarbanes-Oxley Act”) that are then in effect and with which the Company is required to comply as of the effectiveness of the Registration Statement.

The section entitled “Management’s Discussion and Analysis of Financial Condition and Results of Operations — Critical Accounting Policies” in the Time of Sale Prospectus accurately describes: (i) accounting policies which the Company believes are the most important in the portrayal of the Company’s financial condition and results of operations and which require management’s most difficult, subjective or complex judgments (“Critical Accounting Policies”); and (ii) judgments and uncertainties affecting the application of Critical Accounting Policies; and the Company’s Board of Directors and management have reviewed and agreed with the selection, application and disclosure of Critical Accounting Policies and have consulted with its legal counsel and independent public accountants with regard to such disclosure.

The section entitled “Management’s Discussion and Analysis of Financial Condition and Results of Operations” in the Time of Sale Prospectus accurately and fairly describes: (i) all material trends, demands, commitments, events, uncertainties and risks, and the potential effects thereof, that the Company believes would materially affect liquidity and are reasonably likely to occur; and (ii) all off-balance sheet transactions, arrangements, and obligations, including, without limitation, relationships with unconsolidated entities that are contractually limited to narrow activities that facilitate the transfer of or access to assets by the Company or any of its Subsidiaries or Affiliated Entities, such as structured finance entities and special purpose entities (collectively, “off-balance sheet arrangements”) that are reasonably likely to have a material effect on the liquidity of the Company and its Subsidiaries and Affiliated Entities taken as a whole or the availability thereof or the requirements of the Company or any of its Subsidiaries or Affiliated Entities for capital resources.

Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, the Company has not sold, issued or distributed any Ordinary Shares during the six-month period preceding the date hereof, including any sales pursuant to Rule 144A under, or Regulation D or S of, the Securities Act, other than shares issued pursuant to employee benefit plans, qualified share option plans or other employee compensation plans or pursuant to outstanding options, rights or warrants.

Neither the Company nor any of its Subsidiaries, Affiliated Entities or, to the knowledge of the Company, any of its affiliates has taken, directly or indirectly, any action which was designed to or which has constituted or which might reasonably be expected to cause or result in stabilization or manipulation of the price of any security of the Company to facilitate the sale or resale of the ADSs.

The Registration Statement, the Prospectus, the Time of Sale Prospectus and any preliminary prospectus comply, and any amendments or supplements thereto will comply, with any applicable laws or regulations of foreign jurisdictions in which the Prospectus, the Time of Sale Prospectus or any preliminary prospectus, as amended or supplemented, if applicable, are distributed in connection with the Directed Share Program.

No consent, approval, authorization or order of, or qualification with, any Governmental Entity, other than those obtained, is required in connection with the offering of the Directed Shares in any jurisdiction where the Directed Shares are being offered.

The Company has not offered, or caused UBS Financial Services Inc. to offer, ADSs to any person pursuant to the Directed Share Program with the specific intent to unlawfully influence (i) a customer or supplier of the Company to alter the customer’s or supplier’s level or type of business with the Company, or (ii) a trade journalist or publication to write or publish favorable information about the Company or its products.

The Company and each of its Subsidiaries and Affiliated Entities have filed all national, provincial, local and foreign tax returns required to be filed through the date of this Agreement or have requested extensions thereof (except where the failure to file would not, individually or in the aggregate, have a Material Adverse Effect) and have paid all taxes required to be paid thereon (except for cases in which the failure to file or pay would not have a Material Adverse Effect, or, except as currently being contested in good faith and for which reserves required by U.S. GAAP have been created in the financial statements of the Company), and no tax deficiency has been determined adversely to the Company or any of its Subsidiaries or Affiliated Entities which has had (nor does the Company nor any of its Subsidiaries or Affiliated Entities have any notice or knowledge of any tax deficiency which could reasonably be expected to be determined adversely to the Company or its Subsidiaries or Affiliated Entities and which could reasonably be expected to have) a Material Adverse Effect.
From the time of initial confidential submission of the Registration Statement to the Commission (or, if earlier, the first date on which the Company engaged directly or through any person authorized to act on its behalf in any Testing-the-Waters Communication) through the date hereof, the Company has been and is an “emerging growth company,” as defined in Section 2(a) of the Securities Act (an “Emerging Growth Company”). “Testing-the-Waters Communication” means any oral or written communication with potential investors undertaken in reliance on Section 5(d) of the Securities Act.

The Company (i) has not alone engaged in any Testing-the-Waters Communication other than Testing-the-Waters Communications with the consent of the Representatives with entities that are qualified institutional buyers within the meaning of Rule 144A under the Securities Act or institutions that are accredited investors within the meaning of Rule 501 under the Securities Act and (ii) has not authorized anyone other than the Representatives to engage in Testing-the-Waters Communications. The Company reconfirms that the Representatives have been authorized to act on its behalf in undertaking Testing-the-Waters Communications. The Company has not distributed any Written Testing-the-Waters Communications other than those listed on Schedule III hereto. “Written Testing-the-Waters Communication” means any Testing-the-Waters Communication that is a written communication within the meaning of Rule 405 under the Securities Act.

As of the time of each sale of ADSs in connection with the offering when the Prospectus is not yet available to prospective purchasers, none of (i) the Time of Sale Prospectus, (ii) any free writing prospectus, when considered together with the Time of Sale Prospectus, and (iii) any individual Written Testing-the-Waters Communication, when considered together with the Time of Sale Prospectus, included, includes or will include an untrue statement of a material fact or omitted, omits or will omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances under which they were made, not misleading, except that the representations and warranties set forth in this paragraph do not apply to statements or omissions in the Time of Sale Prospectus and any free writing prospectus based upon information relating to any Underwriter furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information is that described in Section 9(b).
The Company has not distributed and, prior to the later of the Closing Date or any Option Closing Date and the completion of the distribution of the ADSs will not distribute any offering material in connection with the offering and sale of the ADSs other than any preliminary prospectus, the Prospectus, any free writing prospectuses, if any, identified in Schedule II hereto and any Written Testing-the-Waters Communications listed on Schedule III hereto.

Except as described in each of the Registration Statement, the Time of Sale Prospectus and the Prospectus, none of the Company or any of its Subsidiaries or Affiliated Entities is engaged in any material transactions with its directors, officers, management, shareholders, or any other affiliate, including any person who formerly held a position as a director, officer and/or shareholder.

There are no contracts, agreements or understandings between the Company and any person that would give rise to a valid claim against the Company or any Underwriter for a brokerage commission, finder's fee or other similar payment in connection with the issuance and sale of the ADSs and the Ordinary Shares represented thereby.

(h) Not to (and to cause its Subsidiaries and Affiliated Entities not to) take, directly or indirectly, any action which is designed to or which constitutes or which would reasonably be expected to cause or result in stabilization or manipulation of the price of any security of the Company or facilitate the sale or resale of the ADSs.

(i) If the Time of Sale Prospectus is being used to solicit offers to buy the ADSs at a time when the Prospectus is not yet available to prospective purchasers and any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Time of Sale Prospectus so that it will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances, not misleading, or if any event shall occur or condition exist as a result of which the Time of Sale Prospectus conflicts with the information contained in the Registration Statement then on file, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Time of Sale Prospectus to comply with applicable law, forthwith to prepare, file with the Commission (subject to the last clause of this subsection (i)) and furnish, at its own expense, to the Underwriters and to any dealer upon request, either amendments or supplements to the Time of Sale Prospectus so that the Time of Sale Prospectus as so amended or supplemented will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when the Time of Sale Prospectus is delivered to a prospective purchaser, not misleading, or so that the Time of Sale Prospectus, as amended or supplemented, will no longer conflict with the Registration Statement, or so that the Time of Sale Prospectus, as amended or supplemented, will comply with applicable law; promptly give the Representatives written notice of any such event or condition of which the Company becomes aware; and before amending or supplementing the Time of Sale Prospectus, to furnish to the Representatives a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which the Representatives reasonably object.
(j) If, during such period after the first date of the public offering of the ADSs as in the opinion of counsel for the Underwriters the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is required by law to be delivered in connection with sales by an Underwriter or dealer, any event shall occur or condition exist as a result of which it is necessary to amend or supplement the Prospectus so that it will not contain any untrue statement of a material fact or omit to state a material fact necessary to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading, or if, in the opinion of counsel for the Underwriters, it is necessary to amend or supplement the Prospectus to comply with applicable law, forthwith to prepare, file with the Commission (subject to the last clause of this subsection (j)) and furnish, at its own expense, to the Underwriters and to the dealers (whose names and addresses the Representatives will furnish to the Company) to which ADSs may have been sold by the Representatives on behalf of the Underwriters and to any other dealers upon request, either amendments or supplements to the Prospectus so that the Prospectus as so amended or supplemented will not contain any untrue statement of a material fact or omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances when the Prospectus (or in lieu thereof the notice referred to in Rule 173(a) of the Securities Act) is delivered to a purchaser, not misleading or so that the Prospectus, as amended or supplemented, will comply with applicable law; to promptly give the Representatives written notice of any such event or condition of which the Company becomes aware; and before amending or supplementing the Prospectus, to furnish to the Representatives a copy of each such proposed amendment or supplement and not to file any such proposed amendment or supplement to which the Representatives reasonably object.

(k) To endeavor to qualify the ADSs for offer and sale under the securities or Blue Sky laws of such jurisdictions as the Representatives shall reasonably request.

(l) To make generally available to the Company’s security holders and to the Representatives as soon as practicable an earnings statement covering a period of at least twelve months beginning with the first fiscal quarter of the Company occurring after the date of this Agreement which shall satisfy the provisions of Section 11(a) of the Securities Act and the rules and regulations of the Commission thereunder. The Company, during the period when the Prospectus is required to be delivered under the Securities Act, will file all documents required to be filed with the Commission pursuant to the Exchange Act within the time periods required by the Exchange Act and the applicable rules and regulations of the Commission thereunder. During the three-year period after the date of this Agreement, the Company will furnish to the Representatives and, upon written request, to each of the other Underwriters, as soon as practicable after the end of each fiscal year, a copy of its annual report to shareholders for such year; and the Company will furnish to the Representatives (i) as soon as available, a copy of each report of the Company filed with the Commission under the Exchange Act or mailed to shareholders, and (ii) from time to time, such other information concerning the Company as the Representatives may reasonably request in writing. However, so long as the Company is subject to the reporting requirements of either Section 13 or Section 15(d) of the Exchange Act and is timely filing reports with the Commission on its EDGAR reporting system, or otherwise makes such reports publicly available on its or its investor relations website, it is not required to furnish such reports or statements filed through EDGAR to the Underwriters.
(m) To use the net proceeds received by it from the sale of the ADSs pursuant to this Agreement in the manner specified in the Time of Sale Prospectus under the caption “Use of Proceeds” and in compliance with any applicable laws, rules and regulations of any governmental body, agency or court having jurisdiction over the Company or any Subsidiary or Affiliated Entity; to not, directly or indirectly, use the proceeds of the offering, or lend, contribute or otherwise make available such proceeds to any Subsidiary, Affiliated Entity joint venture partner or other Person to fund or facilitate any activities or business of or with any Person or in any country or territory that, at the time of such funding or facilitation, is the subject of Sanctions, or in any other manner that will result in a violation of Sanctions by any Person (including any Person participating in the offering, whether as underwriter, advisor, investor or otherwise); and to maintain and implement adequate internal controls and procedures to monitor and audit transactions that are reasonably designed to detect and prevent any use of the proceeds from the offering of the ADSs contemplated hereby that is inconsistent with any of the Company’s representations and obligations under the preceding sentence.

(n) To comply with all applicable securities and other laws, rules and regulations in each jurisdiction in which the Directed Shares are offered in connection with the Directed Share Program.

(o) Not to facilitate any shareholder’s conversion of Ordinary Shares to ADSs during the Restricted Period and not to release the Depositary from the obligations set forth in, or otherwise amend, terminate or fail to enforce, the Depositary Agreement without the prior written consent of the Representatives. The Company shall at all times maintain transfer restrictions with respect to the ADSs and Ordinary Shares that are subject to transfer restrictions pursuant to this Agreement and the “lock-up” agreements referred to in Section 5(n) and shall ensure compliance with such restrictions on transfer of restricted ADSs and Ordinary Shares. The Company shall retain all share certificates that are by their terms subject to transfer restrictions until such time as such transfer restrictions are no longer applicable to such securities.

(p) To pay, and indemnify and hold the Underwriters harmless against, any stamp, issue, registration, documentary, sales, transfer or other similar taxes or duties imposed under the laws of Cayman Islands or the PRC or any political sub-division or taxing authority thereof or therein that is payable in connection with (i) the execution, delivery, consummation or enforcement of this Agreement or the Deposit Agreement, (ii) the creation, allotment and issuance of the Ordinary Shares represented by the ADSs, (iii) the sale and delivery of the ADSs to the Underwriters or purchasers procured by the Underwriters, or (iv) the resale and delivery of the ADSs by the Underwriters in the manner contemplated herein.
(q) To promptly notify the Representatives if the Company ceases to be an Emerging Growth Company at any time prior to the later of (a) completion of the distribution of the ADSs within the meaning of the Securities Act and (b) completion of the Restricted Period referred to in Section 2.

(r) If at any time following the distribution of any Written Testing-the-Waters Communication there occurred or occurs an event or development as a result of which such Written Testing-the-Waters Communication included or would include an untrue statement of a material fact or omitted or would omit to state a material fact necessary in order to make the statements therein, in the light of the circumstances existing at that subsequent time, not misleading, to promptly notify the Representatives and if requested by the Representatives, will promptly amend or supplement, at its own expense, such Written Testing-the-Waters Communication to eliminate or correct such untrue statement or omission.

(s) To comply with the terms of the Deposit Agreement so that the ADSs will be issued by the Depositary and delivered to each Underwriter’s participant account in DTC, pursuant to this Agreement on the Closing Date and each applicable Option Closing Date.

(t) (i) To not attempt to avoid any judgment in connection with this Agreement obtained by it, applied to it, or denied to it in a court of competent jurisdiction outside the Cayman Islands; (ii) following the consummation of the offering, to use its best efforts to obtain and maintain all approvals required in the Cayman Islands to pay and remit outside the Cayman Islands all dividends declared by the Company and payable on the Ordinary Shares, if any; and (iii) to use its best efforts to obtain and maintain all approvals, if any, required in the Cayman Islands for the Company to acquire sufficient foreign exchange for the payment of dividends and all other relevant purposes.

(u) To comply with the PRC Overseas Investment and Listing Regulations in all material aspects, and to use its reasonable efforts to request holders of its Ordinary Shares that, to the knowledge of the Company, are, or that are directly or indirectly owned or controlled by, Chinese residents or Chinese citizens, to comply with the PRC Overseas Investment and Listing Regulations applicable to them, including, without limitation, requesting each such shareholder to complete any registration and other procedures required under applicable PRC Overseas Investment and Listing Regulations (including any applicable rules and regulations of the SAFE).
(v) To use its best efforts to have the ADSs accepted for listing on the New York Stock Exchange and maintain the listing of the ADSs on the New York Stock Exchange.

(w) Upon request of any Underwriter, to furnish, or cause to be furnished, to such Underwriter an electronic version of the Company’s trademarks, service marks and corporate logo for use on the website, if any, operated by such Underwriter, solely for the purpose of facilitating the offering of the ADSs.

(x) That all sums payable by the Company under this Agreement shall be paid free and clear of and without deductions or withholdings of any present or future taxes or duties, unless the deduction or withholding is required by law, in which case the Company shall pay such additional amount as will result in the receipt by each Underwriter of the full amount that would have been received had no deduction or withholding been made.

(y) That all sums payable to an Underwriter shall be considered exclusive of any value added or similar taxes. Where the Company is obliged to pay value added or similar tax on any amount payable hereunder to an Underwriter, the Company shall in addition to the sum payable hereunder pay an amount equal to any applicable value added or similar tax.

(z) To deliver to the Representatives, on the date of execution of this Agreement, a properly completed and executed Certification Regarding Beneficial Owners of Legal Entity Customers, together with copies of identifying documentation, and to provide such additional supporting documentation as the Representatives may reasonably request in connection with the verification of the foregoing certification.\(^1\)

7. Expenses.

(a) Subject to Section 7(b) below, whether or not the transactions contemplated in this Agreement are consummated or this Agreement is terminated, the Company agrees to pay or cause to be paid all expenses incident to the performance of its obligations under this Agreement, including: (i) the fees, disbursements and expenses of the Company’s counsel, the Company’s accountants in connection with the registration and delivery of the ADSs and Ordinary Shares represented thereby under the Securities Act and all other fees or expenses in connection with the preparation and filing of the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, any free writing prospectus prepared by or on behalf of, used by, or referred to by the Company and amendments and supplements to any of the foregoing, including all printing costs associated therewith, and the mailing and delivering of copies thereof to the Underwriters and dealers, in the quantities hereinabove specified, (ii) all costs and expenses related to the transfer and delivery of the ADSs to the Underwriters, including any transfer or other taxes payable thereon, (iii) the cost of printing or producing any Blue Sky or Legal Investment memorandum in connection with the offer and sale of the ADSs under state securities laws and all expenses in connection with the qualification of the ADSs for offer and sale under state securities laws as provided in Section 6(k) hereof, including filing fees and the reasonable fees and disbursements of counsel for the Underwriters in connection with such qualification and in connection with the Blue Sky or Legal Investment memorandum, (iv) all filing fees and the reasonable fees and disbursements of counsel to the Underwriters incurred in connection with the review and qualification of the offering of the ADSs by the Financial Industry Regulatory Authority, (v) all fees and expenses in connection with the preparation and filing of the Form 8-A Registration Statement relating to the Class A ordinary shares, par value US$0.00025 per share, of the Company and all costs and expenses incident to listing the ADSs on the New York Stock Exchange, (vi) the cost of printing certificates representing the ADSs or Ordinary Shares represented thereby, (vii) the costs and charges of any transfer agent, registrar or depositary, (viii) the document production charges and expenses associated with printing this Agreement, (ix) all fees and expenses in connection with the Directed Share Program and stamp duties, similar taxes or duties or other taxes, if any, incurred by the Underwriters in connection with the Directed Share Program and (x) all other costs and expenses incident to the performance of the obligations of the Company hereunder for which provision is not otherwise made in this Section. It is understood, however, that except as provided in this Section 7, Section 9 entitled “Indemnity and Contribution”, Section 10 entitled “Directed Share Program Indemnification” and the last paragraph of Section 13 below, the Underwriters will pay all of their costs and expenses, including fees and disbursements of their counsel, share transfer taxes payable on resale of any of the ADSs by them and any advertising expenses connected with any offers they may make.

(b) With respect to costs and expenses incurred in connection with any analyst presentations, “Testing-the-Waters” meetings, “road show” meetings, and any other meetings, presentations or conferences with investors or analysts with respect to the offering of ADSs, including (i) costs and expenses associated with hosting such meetings, presentations and conferences, including the costs and expenses of engaging a “roadshow” coordinator, (ii) travel, meal and lodging expenses of the Underwriters and the Company in connection with such meetings, presentations and conferences and (iii) the costs of a post-listing celebratory dinner, as well as ancillary and lodging expenses agreed between the Company and the Underwriters (collectively, the “Marketing Expenses”):

(i) If the offering closes, each of the respective Underwriters will bear the Marketing Expenses based on the proportion of shares underwritten by each such Underwriter in connection with the offering; provided, however, that in no event shall the Underwriters bear an aggregate amount of “Testing-the-Waters” meetings expenses incurred by the Company in excess of US$1 million.
If the offering does not close:

(A) The Company will reimburse, severally, the Underwriters for 50% of the “Testing-the-Waters” meetings expenses; and

(B) The Underwriters will bear the remaining Marketing Expenses on an equal basis.

8. **Covenants of the Underwriters.** Each Underwriter severally covenants with the Company not to take any action that would result in the Company being required to file with the Commission under Rule 433(d) a free writing prospectus prepared by or on behalf of such Underwriter that otherwise would not be required to be filed by the Company thereunder, but for the action of the Underwriter.

9. **Indemnity and Contribution.** (a) The Company agrees to indemnify and hold harmless each Underwriter, each person, if any, who controls any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, and each affiliate of any Underwriter within the meaning of Rule 405 under the Securities Act, and each of their respective directors, officers and employees, from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim), joint or several, arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any preliminary prospectus, the Time of Sale Prospectus or any amendment or supplement thereto, any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, any Company information that the Company has filed, or is required to file, pursuant to Rule 433(d) under the Securities Act, any “road show” as defined in Rule 433(h) under the Securities Act (a “road show”), or the Prospectus or any amendment or supplement thereto, or any Written Testing-the-Waters Communication or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, except insofar as such losses, claims, damages or liabilities arise out of or are based upon any such untrue statement or omission or alleged untrue statement or omission based upon information furnished to the Company in writing by such Underwriter through the Representatives expressly for use therein, it being understood and agreed that the only such information is that described in Section 9(b);
(b) Each Underwriter agrees, severally and not jointly, to indemnify and hold harmless the Company, the directors of the Company, the officers of the Company who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim) arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in the Registration Statement or any amendment thereof, any preliminary prospectus, the Time of Sale Prospectus or any amendment or supplement thereto, or any issuer free writing prospectus as defined in Rule 433(h) under the Securities Act, or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading, but only with reference to information furnished to the Company in writing by such Underwriter through the Representatives expressly for use in the Registration Statement, any preliminary prospectus, the Time of Sale Prospectus, any issuer free writing prospectus, road show, or the Prospectus or any amendment or supplement thereto, it being understood and agreed that the only such information furnished by any Underwriter through the Representatives consists of the name of the Underwriter and the disclosure on stabilization appearing in the [sixteenth] paragraph under the caption “Underwriting”.

39
In case any proceeding (including any governmental investigation) shall be instituted involving any person in respect of which indemnity may be sought pursuant to Section 9(a) or 9(b), such person (the "indemnified party") shall promptly notify the person against whom such indemnity may be sought (the "indemnifying party") in writing and the indemnifying party, upon request of the indemnified party, shall retain counsel reasonably satisfactory to the indemnified party to represent the indemnified party and any others the indemnifying party may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding; provided that the failure to notify the indemnifying party shall not relieve it from any liability that it may have under the preceding paragraphs of this Section 9 except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure. In any such proceeding, any indemnified party shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such indemnified party unless (i) the indemnifying party and the indemnified party shall have mutually agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the indemnifying party and the indemnified party and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. It is understood that the indemnifying party shall not, in respect of the legal expenses of any indemnified party in connection with any proceeding or related proceedings in the same jurisdiction, be liable for (i) the fees and expenses of more than one separate firm (in addition to any local counsel) for all Underwriters and all persons, if any, who control any Underwriter within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act or who are affiliates of any Underwriter within the meaning of Rule 405 under the Securities Act, (ii) the fees and expenses of more than one separate firm (in addition to any local counsel) for the Company, its directors, its officers who sign the Registration Statement and each person, if any, who controls the Company within the meaning of either such Section, and that all such fees and expenses shall be reimbursed as they are incurred. In the case of any such separate firm for the Underwriters and such control persons and affiliates of any Underwriters, such firm shall be designated in writing by the Representatives. In the case of any such separate firm for the Company, and such directors, officers and control persons of the Company, such firm shall be designated in writing by the Company. The indemnifying party shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the indemnifying party agrees to indemnify the indemnified party from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time an indemnified party shall have requested an indemnifying party to reimburse the indemnified party for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the indemnifying party agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by such indemnifying party of the aforesaid request and (ii) such indemnifying party shall not have reimbursed the indemnified party in accordance with such request prior to the date of such settlement. No indemnifying party shall, without the prior written consent of the indemnified party, effect any settlement of any pending or threatened proceeding in respect of which any indemnified party is or could have been a party and indemnity could have been sought hereunder by such indemnified party, unless such settlement (x) includes an unconditional release of such indemnified party from all liability on claims that are the subject matter of such proceeding and (y) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any indemnified party.
(d) To the extent the indemnification provided for in Section 9(a) or 9(b) is unavailable to an indemnified party or insufficient in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then each indemnifying party under such paragraph, in lieu of indemnifying such indemnified party thereunder, shall contribute to the amount paid or payable by such indemnified party as a result of such losses, claims, damages or liabilities (or actions in respect thereof) (i) in such proportion as is appropriate to reflect the relative benefits received by the indemnifying party or parties on the one hand and the indemnified party or parties on the other hand from the offering of the ADSs or (ii) if the allocation provided by clause 9(d)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 9(d)(i) above but also the relative fault of the indemnifying party or parties on the one hand and of the indemnified party or parties on the other hand in connection with the statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the Underwriters on the other hand in connection with the offering of the ADSs shall be deemed to be in the same respective proportions as the net proceeds from the offering of the ADSs (before deducting expenses) received by the Company on the one hand and the total underwriting discounts and commissions received by the Underwriters on the other hand, in each case as set forth in the table on the cover of the Prospectus, bear to the aggregate Public Offering Price of the ADSs. The relative fault of the Company on the one hand and the Underwriters on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact relates to information supplied by the Company or by the Underwriters and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission. The Underwriters’ respective obligations to contribute pursuant to this Section 9 are several in proportion to the respective number of ADSs they have purchased hereunder, and not joint.

(e) The Company and the Underwriters agree that it would not be just or equitable if contribution pursuant to this Section 9 were determined by pro rata allocation (even if the Underwriters were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 9(d). The amount paid or payable by an indemnified party as a result of the losses, claims, damages or liabilities (or actions in respect thereof) referred to in Section 9(d) shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by such indemnified party in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 9, no Underwriter shall be required to contribute any amount in excess of the amount by which the total price at which the ADSs underwritten by it and distributed to the public were offered to the public exceeds the amount of any damages that such Underwriter has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission. No person guilty of fraudulent misrepresentation (within the meaning of Section 11(f) of the Securities Act) shall be entitled to contribution from any person who was not guilty of such fraudulent misrepresentation. The remedies provided for in this Section 9 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.
The indemnity and contribution provisions contained in this Section 9 and the representations, warranties and other statements of the Company contained in this Agreement shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any Underwriter, any person controlling any Underwriter or any affiliate of any Underwriter or the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the ADSs.

10. **Directed Share Program Indemnification.** (a) The Company agrees to indemnify and hold harmless UBS Financial Services Inc., each person, if any, who controls UBS Financial Services Inc. within the meaning of either Section 15 of the Securities Act or Section 20 of the Exchange Act, each affiliate of UBS Financial Services Inc. within the meaning of Rule 405 of the Securities Act (“UBS Entities”), and each of their respective directors and officers, from and against any and all losses, claims, damages and liabilities (including, without limitation, any legal or other expenses reasonably incurred in connection with defending or investigating any such action or claim), joint or several, (i) arising out of or based upon any untrue statement or alleged untrue statement of a material fact contained in any material prepared by or with the consent of the Company for distribution to Participants in connection with the Directed Share Program or arising out of or based upon any omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; (ii) caused by the failure of any Participant to pay for and accept delivery of Directed Shares that the Participant agreed to purchase; or (iii) related to, arising out of, or in connection with the Directed Share Program, other than losses, claims, damages or liabilities (or expenses relating thereto) that are finally judicially determined to have resulted from the bad faith or gross negligence of the UBS Entities.
(b) In case any proceeding (including any governmental investigation) shall be instituted involving any UBS Entity in respect of which indemnity may be sought pursuant to Section 10(a), the UBS Entity seeking indemnity, shall promptly notify the Company in writing and the Company, upon request of the UBS Entity, shall retain counsel reasonably satisfactory to the UBS Entity to represent the UBS Entity and any others the Company may designate in such proceeding and shall pay the fees and disbursements of such counsel related to such proceeding; provided that the failure to notify the Company shall not relieve it from any liability that it may have under Section 10(a) except to the extent that it has been materially prejudiced (through the forfeiture of substantive rights or defenses) by such failure; and provided further that the failure to notify the Company shall not relieve it from any liability that it may have to the UBS Entities otherwise than under Section 10(a). In any such proceeding, any UBS Entity shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such UBS Entity unless (i) the Company shall have agreed to the retention of such counsel or (ii) the named parties to any such proceeding (including any impleaded parties) include both the Company and the UBS Entity and representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. The Company shall not, in respect of the legal expenses of the UBS Entities in connection with any proceeding or related proceedings in the same jurisdiction, be liable for the fees and expenses of more than one separate firm (in addition to any local counsel) for all UBS Entities. Any such separate firm for the UBS Entities shall be designated in writing by UBS Financial Services Inc. The Company shall not be liable for any settlement of any proceeding effected without its written consent, but if settled with such consent or if there be a final judgment for the plaintiff, the Company agrees to indemnify the UBS Entities from and against any loss or liability by reason of such settlement or judgment. Notwithstanding the foregoing sentence, if at any time a UBS Entity shall have requested the Company to reimburse it for fees and expenses of counsel as contemplated by the second and third sentences of this paragraph, the Company agrees that it shall be liable for any settlement of any proceeding effected without its written consent if (i) such settlement is entered into more than 30 days after receipt by the Company of the aforesaid request and (ii) the Company shall not have reimbursed the UBS Entity in accordance with such request prior to the date of such settlement. The Company shall not, without the prior written consent of UBS Financial Services Inc., effect any settlement of any pending or threatened proceeding in respect of which any UBS Entity is or could have been a party and indemnity could have been sought hereunder by such UBS Entity, unless such settlement (x) includes an unconditional release of the UBS Entities from all liability on claims that are the subject matter of such proceeding and (y) does not include a statement as to or an admission of fault, culpability or a failure to act, by or on behalf of any UBS Entity.
To the extent the indemnification provided for in Section 10(a) is unavailable to a UBS Entity or insufficient in respect of any losses, claims, damages or liabilities (or actions in respect thereof) referred to therein, then the Company in lieu of indemnifying the UBS Entity thereunder, shall contribute to the amount paid or payable by the UBS Entity as a result of such losses, claims, damages or liabilities (or actions in respect thereof) (i) in such proportion as is appropriate to reflect the relative benefits received by the Company on the one hand and the UBS Entities on the other hand from the offering of the Directed Shares or (ii) if the allocation provided by clause 10(b)(i) above is not permitted by applicable law, in such proportion as is appropriate to reflect not only the relative benefits referred to in clause 10(b)(i) above but also the relative fault of the Company on the one hand and of the UBS Entities on the other hand in connection with any statements or omissions that resulted in such losses, claims, damages or liabilities (or actions in respect thereof), as well as any other relevant equitable considerations. The relative benefits received by the Company on the one hand and the UBS Entities on the other hand in connection with the offering of the Directed Shares shall be deemed to be in the same respective proportions as the net proceeds from the offering of the Directed Shares (before deducting expenses) and the total underwriting discounts and commissions received by the UBS Entities for the Directed Shares, bear to the aggregate Public Offering Price of the Directed Shares. If the loss, claim, damage or liability arises out of or is based upon an untrue or alleged untrue statement of a material fact or the omission or alleged omission to state a material fact, the relative fault of the Company on the one hand and the UBS Entities on the other hand shall be determined by reference to, among other things, whether the untrue or alleged untrue statement or the omission or alleged omission relates to information supplied by the Company or by the UBS Entities and the parties’ relative intent, knowledge, access to information and opportunity to correct or prevent such statement or omission.

The Company and the UBS Entities agree that it would not be just or equitable if contribution pursuant to this Section 10 were determined by pro rata allocation (even if the UBS Entities were treated as one entity for such purpose) or by any other method of allocation that does not take account of the equitable considerations referred to in Section 10(c). The amount paid or payable by the UBS Entities as a result of the losses, claims, damages and liabilities (or actions in respect thereof) referred to in the immediately preceding paragraph shall be deemed to include, subject to the limitations set forth above, any legal or other expenses reasonably incurred by the UBS Entities in connection with investigating or defending any such action or claim. Notwithstanding the provisions of this Section 10, no UBS Entity shall be required to contribute any amount in excess of the amount by which the total price at which the Directed Shares distributed to the public were offered to the public exceeds the amount of any damages that such UBS Entity has otherwise been required to pay. The remedies provided for in this Section 10 are not exclusive and shall not limit any rights or remedies which may otherwise be available to any indemnified party at law or in equity.

The indemnity and contribution provisions contained in this Section 10 shall remain operative and in full force and effect regardless of (i) any termination of this Agreement, (ii) any investigation made by or on behalf of any UBS Entity or the Company, its officers or directors or any person controlling the Company and (iii) acceptance of and payment for any of the Directed Shares.
11. *Termination.* The Underwriters may terminate this Agreement by notice given by the Representatives to the Company, if after the execution and delivery of this Agreement and prior to the Closing Date (i) trading generally shall have been suspended or materially limited on, or by, as the case may be, any of the New York Stock Exchange, the NYSE MKT, the NASDAQ Global Market, The Stock Exchange of Hong Kong Limited, or the London Stock Exchange, (ii) trading of any securities of the Company shall have been suspended on any exchange or in any over-the-counter market, (iii) a material disruption in securities settlement, payment or clearance services in the United States, the United Kingdom, the PRC, Hong Kong, the Cayman Islands or other relevant jurisdiction shall have occurred, (iv) any moratorium on commercial banking activities shall have been declared by Federal, New York State, Hong Kong, London, PRC, Cayman Islands or other relevant authorities or (v) there shall have occurred any outbreak or escalation of hostilities, or any change in financial markets, currency exchange rates or controls or any calamity or crisis that, in the judgment of the Representatives, is material and adverse and which, singly or together with any other event specified in this clause (v), makes it, in the judgment of the Representatives, impracticable or inadvisable to proceed with the offer, sale or delivery of the ADSs on the terms and in the manner contemplated in the Time of Sale Prospectus or the Prospectus.

12. *Representations, Warranties and Agreements to Survive.* All representations, warranties and agreements contained in this Agreement or in certificates of officers of the Company submitted pursuant hereto, shall remain operative and in full force and effect regardless of (i) any investigation made by or on behalf of any Underwriter or its affiliates or selling agents, any person controlling any Underwriter, its officers or directors, any person controlling the Company and (ii) delivery of and payment for the ADSs.

13. *Effectiveness; Defaulting Underwriters.* This Agreement shall become effective upon the execution and delivery hereof by the parties hereto.
If, on the Closing Date or an Option Closing Date, as the case may be, any one or more of the Underwriters shall fail or refuse to purchase ADSs that it has or they have agreed to purchase hereunder on such date, and the aggregate number of ADSs which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase is not more than one-tenth of the aggregate number of the ADSs to be purchased on such date, the other Underwriters shall be obligated severally in the proportions that the number of Firm ADSs set forth opposite their respective names in Schedule I bears to the aggregate number of Firm ADSs set forth opposite the names of all such non-defaulting Underwriters, or in such other proportions as the Representatives may specify, to purchase the ADSs which such defaulting Underwriter or Underwriters agreed but failed or refused to purchase on such date; provided that in no event shall the number of ADSs that any Underwriter has agreed to purchase pursuant to this Agreement be increased pursuant to this Section 13 by an amount in excess of one-ninth of such number of ADSs without the written consent of such Underwriter. If, on the Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Firm ADSs and the aggregate number of Firm ADSs with respect to which such default occurs is more than one-tenth of the aggregate number of Firm ADSs to be purchased on such date, and arrangements satisfactory to the Representatives, the Company for the purchase of such Firm ADSs are not made within 36 hours after such default, this Agreement shall terminate without liability on the part of any non-defaulting Underwriter, the Company. In any such case either the Representatives or the Company shall have the right to postpone the Closing Date, but in no event for longer than seven days, in order that the required changes, if any, in the Registration Statement, in the Time of Sale Prospectus, in the Prospectus or in any other documents or arrangements may be effected. If, on an Option Closing Date, any Underwriter or Underwriters shall fail or refuse to purchase Additional ADSs and the aggregate number of Additional ADSs with respect to which such default occurs is more than one-tenth of the aggregate number of Additional ADSs to be purchased on such Option Closing Date, the non-defaulting Underwriters shall have the option to (i) terminate their obligation hereunder to purchase the Additional ADSs to be sold on such Option Closing Date or (ii) purchase not less than the number of Additional ADSs that such non-defaulting Underwriters would have been obligated to purchase in the absence of such default. Any action taken under this paragraph shall not relieve any defaulting Underwriter from liability in respect of any default of such Underwriter under this Agreement.

If this Agreement shall be terminated by the Underwriters, or any of them, because of any failure or refusal on the part of the Company to comply with the terms or to fulfill any of the conditions of this Agreement, or if for any reason the Company shall be unable to perform its obligations under this Agreement, the Company will reimburse the Underwriters or such Underwriters as have so terminated this Agreement with respect to themselves, severally, for all out-of-pocket expenses (including the fees and disbursements of their counsel) reasonably incurred by such Underwriters in connection with this Agreement or the offering contemplated hereunder.

14. **Entire Agreement.** (a) This Agreement, together with any contemporaneous written agreements and any prior written agreements (to the extent not superseded by this Agreement) that relate to the offering of the ADSs, represents the entire agreement between the Company, on the one hand, and the Underwriters, on the other, with respect to the preparation of any preliminary prospectus, the Time of Sale Prospectus, the Prospectus, the conduct of the offering, and the purchase and sale of the ADSs.

(b) the Company acknowledges that in connection with the offering of the ADSs: (i) the Underwriters have acted at arms’ length, are not agents of, and owe no fiduciary duties to, the Company or any other person, (ii) the Underwriters owe the Company only those duties and obligations set forth in this Agreement and prior written agreements (to the extent not superseded by this Agreement), if any, and (iii) the Underwriters may have interests that differ from those of the Company. The Company waives to the full extent permitted by applicable law any claims it may have against the Underwriters arising from an alleged breach of fiduciary duty in connection with the offering of the Shares.
15. **Trial by Jury.** The Company and each of the Underwriters hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Agreement or the transactions contemplated hereby.

16. **Counterparts.** This Agreement may be signed in two or more counterparts, each of which shall be an original, with the same effect as if the signatures thereto and hereto were upon the same instrument.

17. **Applicable Law.** This Agreement shall be governed by and construed in accordance with the internal laws of the State of New York.

18. **Headings.** The headings of the sections of this Agreement have been inserted for convenience of reference only and shall not be deemed a part of this Agreement.

19. **Notices.** All communications hereunder shall be in writing and effective only upon receipt and if to the Underwriters shall be delivered, mailed or sent to the Representatives, at:

20. Submission to Jurisdiction; Appointment of Agents for Service. (a) The Company hereby submits to the exclusive jurisdiction of any New York State or United States Federal court sitting in Borough of Manhattan in The City of New York (the “Specified Courts”) over any suit, action or proceeding arising out of or relating to this Agreement, the Prospectus, the Registration Statement or the offering of the ADSs (each, a “Related Proceeding”). The Company irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any Related Proceeding brought in such a court and any claim that any such Related Proceeding brought in such a court has been brought in an inconvenient forum. To the extent that the Company has or hereafter may acquire any immunity (on the grounds of sovereignty or otherwise) from the jurisdiction of any court or from any legal process with respect to itself or its property, the Company irrevocably waives, to the fullest extent permitted by law, such immunity in respect of any such suit, action or proceeding.

(b) The Company hereby irrevocably appoints Puglisi & Associates, with offices at 850 Library Avenue, Suite 204, Newark, Delaware 19711, United States of America, as its agent for service of process in any Related Proceeding and agrees that service of process in any such Related Proceeding may be made upon it at the office of such agent. The Company waives, to the fullest extent permitted by law, any other requirements of or objections to personal jurisdiction with respect thereto. The Company represents and warrants that such agent has agreed to act as the Company’s agent for service of process, and the Company agrees to take any and all action, including the filing of any and all documents and instruments, that may be necessary to continue such appointment in full force and effect.
21. **Judgment Currency.** If for the purposes of obtaining judgment in any court it is necessary to convert a sum due hereunder into any currency other than United States dollars, the parties hereto agree, to the fullest extent permitted by law, that the rate of exchange used shall be the rate at which in accordance with normal banking procedures the Underwriters could purchase United States dollars with such other currency in The City of New York on the business day preceding that on which final judgment is given. The obligation of the Company with respect to any sum due from it to any Underwriter or any person controlling any Underwriter shall, notwithstanding any judgment in a currency other than United States dollars, not be discharged until the first business day following receipt by such Underwriter or controlling person of any sum in such other currency, and only to the extent that such Underwriter or controlling person may in accordance with normal banking procedures purchase United States dollars with such other currency. If the United States dollars so purchased are less than the sum originally due to such Underwriter or controlling person hereunder, the Company agrees as a separate obligation and notwithstanding any such judgment, to indemnify such Underwriter or controlling person against such loss. If the United States dollars so purchased are greater than the sum originally due to such Underwriter or controlling person hereunder, such Underwriter or controlling person agrees to pay to the Company an amount equal to the excess of the dollars so purchased over the sum originally due to such Underwriter or controlling person hereunder.

22. **Representatives.** The Representatives will act for the several Underwriters in connection with the transactions contemplated by this Agreement, and any action under this Agreement taken by the Representatives jointly will be binding upon all the Underwriters.
Very truly yours,

NIO Inc.

FORM OF LOCK-UP LETTER

Ladies and Gentlemen:

The undersigned understands that Morgan Stanley & Co. LLC, Goldman Sachs (Asia) L.L.C., J.P. Morgan Securities LLC, Merrill Lynch, Pierce, Fenner & Smith Incorporated, Deutsche Bank Securities Inc., Citigroup Global Markets Inc., Credit Suisse Securities (USA) LLC and UBS Securities LLC (the "Representatives") propose to enter into an Underwriting Agreement (the "Underwriting Agreement") with NIO Inc., an exempted company incorporated in the Cayman Islands (the "Company"), providing for the public offering (the "Public Offering") by the several Underwriters, including the Representatives (the "Underwriters"), of American Depositary Shares ("ADSs") representing Class A ordinary shares, par value US$0.00025 per share, of the Company (the "Ordinary Shares"). Unless otherwise defined, capitalized terms used herein shall have the definitions set forth in the Underwriting Agreement.
To induce the Underwriters that may participate in the Public Offering to continue their efforts in connection with the Public Offering, the undersigned hereby agrees that, without the prior written consent of the Representatives on behalf of the Underwriters, it will not, during the period commencing on the date hereof and ending 180 days after the date of the final prospectus (the “Restricted Period”) relating to the Public Offering (the “Prospectus”), (1) offer, pledge, sell, contract to sell, sell any option or contract to purchase, purchase any option or contract to sell, grant any option, right or warrant to purchase, lend, or otherwise transfer or dispose of, directly or indirectly, any ADSs or Ordinary Shares beneficially owned (as such term is used in Rule 13d-3 of the Securities Exchange Act of 1934, as amended (the “Exchange Act”), by the undersigned or any other securities so owned convertible into or exercisable or exchangeable for ADSs or Ordinary Shares or (2) enter into any swap or other arrangement that transfers to another, in whole or in part, any of the economic consequences of ownership of ADSs or Ordinary Shares, whether any such transaction described in clause (1) or (2) above is to be settled by delivery of ADSs, Ordinary Shares or such other securities, in cash or otherwise. The foregoing sentence shall not apply to (a) transactions relating to ADSs, Ordinary Shares or other securities acquired in open market transactions after the completion of the Public Offering, provided that no filing under the Exchange Act or other public announcement shall be required or shall be voluntarily made in connection with subsequent sales of ADSs, Ordinary Shares or other securities acquired in such open market transactions, (b) transfers of ADSs, Ordinary Shares or any security convertible into ADSs or Ordinary Shares as a bona fide gift, or (c) transfers or distributions of ADSs, Ordinary Shares or any security convertible into ADSs or Ordinary Shares to affiliates, limited partners or shareholders of the undersigned; provided that in the case of any transfer or distribution pursuant to clause (b) or (c), (i) each transferee, donee or distributee shall sign and deliver a lock-up letter substantially in the form of this letter and (ii) no filing under the Exchange Act or other public announcement, reporting a reduction in beneficial ownership of ADSs or Ordinary Shares, shall be required or shall be voluntarily made during the Restricted Period, (d) the establishment of a trading plan pursuant to Rule 10b5-1 under the Exchange Act for the transfer of ADSs or Ordinary Shares, provided that (i) such plan does not provide for the transfer of ADSs or Ordinary Shares during the Restricted Period and (ii) no public announcement or filing under the Exchange Act is required or voluntarily made on behalf of the Company regarding the establishment of such plan, (e) transactions by operation of law, including pursuant to an order of a court (including a domestic order or a negotiated divorce settlement) or regulatory agency, provided that no public announcement shall be required or made voluntarily during the Restricted Period in connection with such transaction, or (f) the conversion of the outstanding preferred shares of the Company into Ordinary Shares prior to or in connection with the consummation of the Public Offering, which conversion is described in the Prospectus, provided that any such Ordinary Shares received upon such conversion shall be subject to the terms of this letter. In addition, the undersigned agrees that, without the prior written consent of the Representatives on behalf of the Underwriters, it will not, during the Restricted Period, make any demand for or exercise any right with respect to, the registration of any shares of ADSs or Ordinary Shares or any security convertible into or exercisable or exchangeable for ADSs or Ordinary Shares. The undersigned also agrees and consents to the entry of stop transfer instructions with the Company’s transfer agent and registrar against the transfer of the undersigned’s ADSs or Ordinary Shares except in compliance with the foregoing restrictions. 

[If the undersigned is an officer or director of the Company, the undersigned further agrees that the foregoing provisions shall be equally applicable to any issuer-directed ADSs the undersigned may purchase in the offering.]
If the undersigned is an officer or director of the Company, (i) the Representatives agree that, at least three business days before the effective date of any release or waiver of the foregoing restrictions in connection with a transfer of shares of Common Stock, the Representatives will notify the Company of the impending release or waiver, and (ii) the Company has agreed in the Underwriting Agreement to announce the impending release or waiver by press release through a major news service at least two business days before the effective date of the release or waiver. Any release or waiver granted by the Representatives hereunder to any such officer or director shall only be effective two business days after the publication date of such press release. The provisions of this paragraph will not apply if (a) the release or waiver is effected solely to permit a transfer not for consideration and (b) the transferee has agreed in writing to be bound by the same terms described in this letter to the extent and for the duration that such terms remain in effect at the time of the transfer.

The undersigned understands that the Company and the Underwriters are relying upon this letter in proceeding toward consummation of the Public Offering. The undersigned further understands that this letter is irrevocable and shall be binding upon the undersigned’s heirs, legal representatives, successors and assigns.

If (a) the Underwriting Agreement is not executed by December 31, 2018, (b) the Underwriting Agreement (other than the provisions thereof which survive termination) shall terminate or be terminated prior to the closing of the Public Offering, or (c) the registration statement filed with the Securities and Exchange Commission with respect to the Public Offering is withdrawn, then this letter shall be void and of no further force or effect.

The undersigned hereby submits to the exclusive jurisdiction of any New York State or United States Federal court sitting in Borough of Manhattan in The City of New York over any suit, action or proceeding arising out of or relating to this letter (each, a “Related Proceeding”). The undersigned irrevocably waives, to the fullest extent permitted by law, any objection which it may now or hereafter have to the laying of venue of any Related Proceeding brought in such a court and any claim that any such Related Proceeding brought in such a court has been brought in an inconvenient forum.

This letter shall be governed by and construed in accordance with the internal laws of the State of New York.

Whether or not the Public Offering actually occurs depends on a number of factors, including market conditions. Any Public Offering will only be made pursuant to an Underwriting Agreement, the terms of which are subject to negotiation between the Company and the Underwriters.

Very truly yours,
