- *35,836 vehicles were delivered in August 2026, increasing by 14.5% year-over-year*
- *262,893 vehicles were delivered year-to-date in 2026, increasing by 57.9% year-over-year*
- *Cumulative deliveries reached 1,260,485 as of August 31, 2026*

SHANGHAI, Sept. 01, 2026 (GLOBE NEWSWIRE) -- NIO Inc. (NYSE: NIO; HKEX: 9866; SGX: NIO) ("NIO" or the "Company"), a pioneer and a leading company in the global smart electric vehicle market, today announced its August 2026 delivery results.

The Company delivered 35,836 vehicles in August 2026, representing an increase of 14.5% year-over-year. The deliveries consisted of 21,174 vehicles from NIO brand, 8,810 vehicles from ONVO brand, and 5,852 vehicles from FIREFLY brand. Cumulative deliveries reached 1,260,485 as of August 31, 2026.

On August 7, 2026, NIO inaugurated its 4,000th total and first fifth-generation battery swap station, marking the official integration of the FIREFLY brand into NIO Power's battery swap network. The fifth-generation station offers significantly enhanced compatibility across all models under the NIO, ONVO and FIREFLY brands, while NIO's expanding charging and battery swap network continues to generate scale effects and support vehicle sales growth.

On August 21, 2026, the NIO All-New ES8 reached 140,000 cumulative deliveries, just 335 days after deliveries began. From January to July 2026, the NIO ES8 ranked No. 1 in cumulative sales in both the large SUV segment and the segment priced above RMB400,000 in China. With its compelling all-scenario product experience, the NIO ES8 continues to strengthen NIO's leadership in the premium BEV SUV market.

About NIO Inc.
NIO Inc. is a pioneer and a leading company in the global smart electric vehicle market. Founded in November 2014, NIO aspires to shape a sustainable and brighter future with the mission of "Blue Sky Coming". NIO envisions itself as a user enterprise where innovative technology meets experience excellence. NIO designs, develops, manufactures and sells smart electric vehicles, driving innovations in next-generation core technologies. NIO provides premium smart electric vehicles under the NIO brand, premium smart electric vehicles for families through the ONVO brand, and small smart high-end electric cars with the FIREFLY brand.

Safe Harbor Statement
This press release contains statements that may constitute "forward-looking" statements pursuant to the "safe harbor" provisions of the U.S. Private Securities Litigation Reform Act of 1995. These forward-looking statements can be identified by terminology such as "will," "expects," "anticipates," "aims," "future," "intends," "plans," "believes," "estimates," "likely to" and similar statements. NIO may also make written or oral forward-looking statements in its periodic reports to the U.S. Securities and Exchange Commission (the "SEC"), in its annual report to shareholders, in announcements, circulars or other publications made on the websites of each of The Stock Exchange of Hong Kong Limited (the "SEHK") and the Singapore Exchange Securities Trading Limited (the "SGX-ST"), in press releases and other written materials and in oral statements made by its officers, directors or employees to third parties. Statements that are not historical facts, including statements about NIO's beliefs, plans and expectations, are forward-looking statements. Forward-looking statements involve inherent risks and uncertainties. A number of factors could cause actual results to differ materially from those contained in any forward-looking statement, including but not limited to the following: NIO's strategies; NIO's future business development, financial condition and results of operations; NIO's ability to develop and manufacture vehicles of sufficient quality and appeal to customers on schedule and on a large scale; its ability to ensure and expand manufacturing capacities including establishing and maintaining partnerships with third parties; its ability to provide convenient and comprehensive power solutions to its customers; the viability, growth potential and prospects of the battery swapping, BaaS, and NIO Assisted and Intelligent Driving and its subscription services; its ability to improve the technologies or develop alternative technologies in meeting evolving market demand and industry development; NIO's ability to satisfy the mandated safety standards relating to motor vehicles; its ability to secure supply of raw materials or other components used in its vehicles; its ability to secure sufficient reservations and sales of its vehicles; its ability to control costs associated with its operations; its ability to build its current and future brands; general economic and business conditions globally and in China and assumptions underlying or related to any of the foregoing. Further information regarding these and other risks is included in NIO's

filings with the SEC and the announcements and filings on the websites of each of the SEHK and SGX-ST. All information provided in this press release is as of the date of this press release, and NIO does not undertake any obligation to update any forward-looking statement, except as required under applicable law.
